Library Card Policy

Library Cards

The materials and resources of the library are available on an equal basis to all individuals with a valid library card. This applies to persons with a Bridgeview Public Library card or another Reaching Across Illinois Library System (RAILS) member card and to other cardholders with reciprocal borrowing privileges.

All residents of the Village of Bridgeview are entitled to a free library card. The card is issued for two years. Two pieces of identification must be shown at the time of registration. One must have a picture on it. Persons under the age of 18 must be accompanied by a parent or guardian when applying for a card. Exceptions to the requirements may be made in the director's discretion.

Responsibilities of Cardholders

Cardholders are responsible for all materials borrowed on their card. This includes returning the materials in a timely manner and in the same condition as when the materials were borrowed. Materials kept beyond the loan period will be considered overdue, and fines or replacement fees will be assessed. Replacement fees will also be assessed for lost or damaged materials.

The library sends out overdue notices as a courtesy. Patrons are responsible for timely return of materials whether or not they receive the overdue notice.

There are no age restrictions on the borrowing of materials from the Bridgeview Public Library. Parents or legal guardians are responsible for monitoring the materials used by their children.

Renewal of Library Cards

Library cards when issued are valid for two years. An expired card may be renewed upon proof of continued residency within the Village of Bridgeview. All fees and fines must be paid before a card can be renewed.

Lost or Stolen Library Cards

Cardholders are responsible for materials checked out on their cards until the card is reported lost or stolen to the Bridgeview Public Library. To replace a lost or stolen card, a patron must prove residency in the Village of Bridgeview again.

Non-Resident Library Cards

Non-Residents of Bridgeview that live in a town that does not have a library, and where Bridgeview Public Library is the closest Library to their residence, may obtain a Non-Resident Library Card. Bridgeview Public Library uses the Non-Resident Fee Mathematical Formula to determine Non-Resident Library Card fees. Non-Resident Library card fees are posted on the Bridgeview Public Library website annually.

*Non-Resident Fee Mathematical Formula:

Divide library income from public property tax source by local population to get the cost per capita figure

Multiply per capita figure by the average number of persons per household (found on census website) to obtain the average cost per household for family library card fee.

Confidentiality of Patron Records

As required by the Illinois Library Records Confidentiality Act (75 ILCS 70/1 et seq), a library patron's registration and circulation records are confidential. No individual's records will be released to any person or agency except pursuant to a court order or other legal exception. Library staff may provide information to a minor's parent or legal guardian about fines or overdue materials. For specific questions about confidentiality, please contact the library director.

Loan Rules

No materials will be automatically renewed if there is a hold on the item. Barring any holds, the following are the loan periods and automatic renewal periods for various materials:

Audio Books	3 weeks	Up to 5
Books	3 weeks	Up to 5
CDs	3 weeks	Up to 5
DVDs	1 week	0

Fees and Fines

The Bridgeview Public Library is a fine free Library. This means that any user checking out materials at BPL, regardless of residency, will not be charged overdue fines. Instead of an overdue fine, an alert will be placed on user accounts once an item is overdue for 14 days or longer. This alert will prevent future use of the Library card. Once an overdue item is returned, the alert is removed, no fines are assessed, and the Library card can be used again.

BPL cardholders should be aware that they are subject to the lending policies, including any applicable fines, of other libraries that they visit. Interlibrary loan materials remain subject to any applicable overdue fines established by the lending library.

BPL will charge for some services and materials that are lost, damaged, or unreturned.

Interlibrary Loan

Our library mission is to provide educational, informational, cultural, and recreational resources and services to people in the Bridgeview community. If those needs cannot be met using our collection, our staff borrows materials from other libraries.

This includes those individuals living outside our service area who choose to purchase an annual non-resident card.

All Bridgeview cardholders have equal access to all the interlibrary loan services we offer. Reference librarians and other staff members are available to help locate items at our library and other libraries. Applicable fees will be applied for out of state materials borrowed or loaned. The library complies with the Interlibrary Loan Guidelines set up by the Reaching Across Illinois Library System (RAILS) Resource Sharing Plan (2018), the ILLINET Interlibrary Loan Code for Illinois (2015) and the American Library Association Interlibrary Loan Code (2001).

All patrons, including children, are subject to library rules and policies concerning behavior, conduct and demeanor. Repeated violation of rules or policies may result in parents needing to be with a child even if the child is 10 years of age or older. All children must have contact information for a parent or caregiver in case of emergency, library closure, or rule violations.

In the event that any child 13 years of age or younger is still on the library premises after the library closes to the public, the police will be called to pick up the child. Attempts will be made during that time to reach parents if possible. In **NO** instance will staff take a child home.
